Sterling, VA 20166

Dear Mr. Tikusis:

RE: Notification of Add-On Qualification, MIL-PRF-31032, CAGE: 0K703
VQ(VQE-12-023379), CN#034589

Qualification of your products is granted under the current issue of the specification as a result of successful qualification testing to Military Performance Specification MIL-PRF-31032, Printed Circuit Board/Printed Wiring Board, and associated specifications. Add-on qualification is for the ink jet legend process, reference test report 31032-3385-12. This process addition will not affect the QML-31032 listing.

Qualification is based on your MIL-PRF-31032 certification and is subject to the following conditions:

1. A listing on the Qualified Manufacturers List (QML) does not guarantee acceptance of the product(s) in any future purchase.
2. QML listing does not constitute a waiver of any requirements of the specification or of the provisions of any contract.
3. Advertising of qualification information is permitted. Permission to use such information for advertising or publicity purposes is granted provided that such publicity or advertising does not state or imply that the product(s) is the only product of that type qualified or that the Department of Defense in any way recommends or endorses the manufacturer's product.
4. The listing applies only to products produced in the plant(s) specified in this letter of notification of qualification and applies to future amendments or revisions of the specification, unless otherwise notified.
5. The listing applies only to materials and manufacturing construction techniques identical to or covered by that (those) qualified. The qualifying activity must be advised in advance of any change to the materials and manufacturing construction techniques. Failure to notify the qualifying activity of any change to the materials and manufacturing construction techniques is cause for QML removal.

If you have any questions, please contact Mr. Jeffrey P. Ciesla at vqe.jc@dla.mil or (614) 692-0624.

Sincerely,

/SIGNED/

JOSEPH GEMPERLINE
Chief
Sourcing and Qualifications Division
